**RULE 512 - PORTABLE EQUIPMENT REGISTRATION FEES**

*(Adopted November 17, 2005)*

RULE 512 CONTENTS

1. CERTIFICATE OF REGISTRATION
2. INSPECTION FEES
3. TRANSFER OF OWNERSHIP
4. CERTIFICATE OF REGISTRATION ISSUED BY HEARING BOARD

## **RULE 512**

- 1 CERTIFICATE OF REGISTRATION:** Each applicant for a Certificate of Registration authorized by Regulation IV of these Rules and Regulations shall pay an application fee of \$65.00 and a processing fee as specified in Table I of this Rule for each portable emissions unit at the time the application is filed. Thereafter, each portable emissions unit shall pay a biennial renewal fee as specified in Table I. Biennial renewal fees are due and payable no later than two (2) years from the date the Certificate of Registration was initially issued, and every two (2) years thereafter. These fees are based on the estimated cost of issuance, services rendered, surveillance, and evaluation pertaining to such Certificate(s) of Registration. All fees collected shall be deposited in the Butte County Air Quality Management District's (DISTRICT) Account.
- 1.1 Limitation to Application and Renewal Fees**

  - 1.1.1** Notwithstanding the above, fees assessed shall not exceed the estimated reasonable costs of evaluating plans required by law or DISTRICT Rules or Regulations, including, but not limited to, application review, certificate issuance, and monitoring related thereto. The fees shall not exceed the estimated costs of reviewing and issuing the Certificate(s) of Registration for which the fees are charged.
  - 1.1.2** If the holder of a Certificate of Registration certifies in writing that the portable emissions unit was not operated during the previous two (2) calendar years, the renewal fee shall be assessed at 50% of the amount determined from Table I.
  - 1.1.3** Notwithstanding the fees specified in Table I, if the actual costs of processing an application for a Certificate of Registration substantially differs from the fees assessed pursuant to this Section, the applicant may be assessed the actual costs, as determined by the Air Pollution Control Officer (APCO).
- 2 INSPECTION FEES:** As determined by the APCO, each emissions unit for which a Certificate of Registration has been issued shall be subject to inspection fees pursuant to DISTRICT Rule 501, Technical Evaluation Fees. Fees assessed shall not exceed the estimated reasonable costs of completing inspections required by law or DISTRICT Rules or Regulations
- 3 TRANSFER OF OWNERSHIP:** Each applicant for a Transfer of Ownership of a Certificate of Registration shall pay a fee of \$50.00 to cover the administrative costs of transferring the registration to the new owner.
- 4 CERTIFICATE OF REGISTRATION ISSUED BY HEARING BOARD:** A Certificate of Registration issued by the DISTRICT Hearing Board shall be subject to the fees pursuant to this Rule.
