State of California
Air Resources Board

Executive Order G-736

WHEREAS, Article 4 (commencing with Section 41900), Chapter 3, Part 4, Division 26 of the Health and Safety Code authorizes the Air Resources Board (the "ARB") to adopt abrasive blasting standards;

WHEREAS, in Subchapter 6 (commencing with Section 92000), Chapter 1, Part III, Title 17, California Code of Regulations, the ARB has established abrasive blasting standards;

WHEREAS, Section 92500(c), Title 17, California Code of Regulations, provides in part that any permissible abrasive blasting operation conducted outside a permanent building must use exclusively wet abrasive blasting, hydroblasting, vacuum blasting or abrasives certified by the ARB for permissible dry outdoor blasting;

WHEREAS, Health and Safety Code Sections 39515 and 39516 delegate to the Executive Officer any power which the ARB may lawfully delegate;

WHEREAS, the abrasives listed in Exhibit A (attached) have been tested in accordance with "Method of Test for Abrasive Media Evaluation," Test Method No. California 371-A, including the "Visible Emission Evaluation Test Method for Selected Abrasives Used in Permissible Dry Outdoor Blasting" for some selected abrasives, and all have been found to comply with the abrasive certification performance standards set forth in Section 92530(b), Title 17, California Code of Regulations;

NOW, THEREFORE, IT IS ORDERED that the abrasives listed in Exhibit A are certified pursuant to Section 92530, Title 17, California Code of Regulations, and may be used accordingly for permissible dry outdoor blasting until August 31, 1994.

IT IS FURTHER ORDERED that this Executive Order shall expire on August 31, 1994, and the above-listed abrasives shall not be certified after that date for permissible dry outdoor blasting unless they are recertified in accordance with the provisions of Section 92530(b), Title 17, California Code of Regulations.

Executed this 19 day of August, 1992 at Sacramento, California.

James D. Boyd
Executive Officer

Expires 8/31/94
