

**State of California
AIR RESOURCES BOARD**

Resolution No. 13-49

December 12, 2013

WHEREAS, Dr. Tracy L. Thatcher has served as a valued member of the California Air Resources Board's (Board) Research Screening Committee (Committee) since 2003;

WHEREAS, Dr. Thatcher has served the Committee, the Board, and the State of California faithfully and with distinction;

WHEREAS, Dr. Thatcher has been a leader in synthesizing indoor and outdoor monitoring, laboratory analysis, and modeling results to address air quality issues related to estimating and reducing Californians' exposures to particles, wood smoke and other air pollutants;

WHEREAS, Dr. Thatcher's leadership in the field of particulate pollution, including fine and ultrafine particles, and their transport indoors, has led to the improved understanding of their impact upon indoor air quality and exposure;

WHEREAS, Dr. Thatcher's contributions to advancing exposure research have helped to provide a research framework and policy guidance to further reduce Californians' exposures to air pollutants;

WHEREAS, Dr. Thatcher has many distinguished achievements, and she has shared her knowledge and expertise with the air quality community via more than 30 publications, reports, and conference papers that she has authored or co-authored;

WHEREAS, the California Air Resources Board and the citizens of California have truly benefited from her expertise in air quality monitoring, analysis, modeling, and research;

NOW, THEREFORE, BE IT RESOLVED that the members of the Board do hereby express to Dr. Tracy L. Thatcher their sincere appreciation for her many years of dedicated service as a member of the Research Screening Committee of the California Air Resources Board.

BE IT FURTHER RESOLVED that a copy of this resolution is transmitted to Dr. Tracy L. Thatcher as evidence of our appreciation.

Executed at Sacramento, California, this 12th day of December 2013.
