

**State of California
AIR RESOURCES BOARD**

Portable Outboard Marine Tanks and Components

EXECUTIVE ORDER G-12-064

Pan-U Industries CO., LTD Portable Outboard Marine Tank Primer Bulb

WHEREAS, the California Air Resources Board (ARB) has established, pursuant to California Health and Safety Code, sections 39600, 39601 and 43013, criteria for obtaining certification of a portable outboard marine tank, portable outboard marine tank self sealing cap, portable outboard marine tank fuel hose, or portable outboard marine tank primer bulb in "CP-510, Certification Procedure for Portable Outboard Marine Tanks and Components," adopted July 20, 2009, incorporated by reference into California Code of Regulations, title 13, sections 2468.2 and 2468.8;

WHEREAS, "CP-510, Certification Procedure for Portable Outboard Marine Tanks and Components," adopted July 20, 2009, (hereinafter "Certification Procedure") incorporated by reference into Cal. Code Regs., title 13, section 2468.1, requires that an application for certification include test results that the bulbs do not exceed a permeation rate of 15 grams/m²/day;

WHEREAS, section 1 of the Certification Procedure provides that an executive order (EO) will only be issued for a portable outboard marine tank, portable outboard marine tank self sealing cap, portable outboard marine tank fuel hose, or portable outboard marine tank primer bulb that demonstrates compliance with all applicable certification requirements;

WHEREAS, section 2 of the Certification Procedure requires an applicant to warranty their portable outboard marine tank, portable outboard marine tank self sealing cap, portable outboard marine tank fuel hose, or portable outboard marine tank primer bulb for a period of one year;

WHEREAS, section 3 of the Certification Procedure requires an applicant to submit specified information in its application for certification;

WHEREAS, section 5 of the Certification Procedure provides that ARB's Executive Officer shall evaluate each application for certification of a portable outboard marine tank, portable outboard marine tank self sealing cap, portable outboard marine tank fuel hose, or portable outboard marine tank primer bulb, to determine if the portable outboard marine tank, portable outboard marine tank self-sealing cap, portable outboard marine tank fuel hose, or portable outboard marine tank primer bulb complies with the criteria for issuance of an EO;

WHEREAS, Pan-U Industries, CO., LTD has submitted an application for certification of its model MDPB53001 portable outboard marine tank primer bulb sold under the name Pan-U Industries CO., LTD;

WHEREAS, Pan-U Industries, CO., LTD has submitted test data indicating that its model MDPB53001 portable outboard marine tank primer bulb does not exceed a permeation rate of 15 grams/m²/day;

WHEREAS, the model MDPB53001 portable outboard marine tank primer bulb produced by Pan-U Industries, CO., LTD as described in its application for certification of said systems, is hereby certified to meet the performance standards and administrative requirements applicable to a portable outboard marine tank primer bulb for supply to original equipment manufacturers and as an aftermarket product. Production primer bulbs must be in all material respects the same as those for which certification is granted and must meet all of the certification requirements.

WHEREAS, Pan-U Industries, CO., LTD's application for certification of its model MDPB53001 portable outboard marine tank primer bulb has been evaluated, and has been found to comply with the criteria for the issuance of an EO; and

WHEREAS, Pursuant to California Health and Safety Code, sections 39515 and 39516, the ARB executive officer issued EO P-10-002 delegating to the Chief of ARB Monitoring and Laboratory Division (MLD) the authority to certify portable outboard marine tanks, primer bulbs and fuel hoses.

NOW, THEREFORE, I, Alberto Ayala, Chief of MLD, find that the Pan-U Industries, CO., LTD model MDPB53001 portable outboard marine tank primer bulb conforms to the performance requirements set forth in Cal. Code Regs., title 13, section 2468, when tested in accordance with TP-512.

IT IS ORDERED AND RESOLVED that the model MDPB53001 portable outboard marine tank primer bulb produced by Pan-U Industries, CO., LTD as described in its application for certification of said systems is hereby certified to meet the performance standards and administrative requirements applicable to a portable outboard marine tank primer bulb for supply to original equipment manufacturers and as an aftermarket product.

IT IS FURTHER ORDERED that Pan-U Industries, CO., LTD must comply with the administrative requirements specified in Cal. Code Regs., sections, title 13, 2468.6(a) and must supply any changes to the date code or representative code to the Executive Officer for review and approval at least three months prior to offering for sale a certified portable outboard marine tank primer bulb with changed codes.

IT IS FURTHER ORDERED that any alteration of the components or design of the model MDPB53001 portable outboard marine tank primer bulb certified hereby is prohibited and is inconsistent with this certification, unless said alteration has been approved in advance of production by the Executive Officer or his designee.

IT IS FURTHER ORDERED that Pan-U Industries, CO., LTD provide a warranty to equipment manufacturers and aftermarket buyers purchasing its model

MDPB53001 portable outboard marine tank primer bulb. The warranty must state that the primer bulbs are free from defects in materials and workmanship that cause such a tank to fail to conform to the certification and compliance standards for a period of one year.

IT IS FURTHER ORDERED that Pan-U Industries, CO., LTD model MDPB53001 portable outboard marine tank primer bulb shall be clearly identified by a permanent identification that allows the ARB to determine manufacturer name and model number.

IT IS FURTHER ORDERED that the Executive Officer may enjoin sales, assess penalties, or revoke or modify this certification as provided in Cal. Code Regs., title 13, section 2468.9, if the Executive Officer determines that the product available for sale or sold in California does not meet the "Certification and Compliance Test Procedures" as provided in Cal. Code Regs., title 13, section 2468.9.

Executed at Sacramento, California, this 31ST day of August 2012.

Alberto Ayala, Ph.D., M.S.E.
Chief, Monitoring and Laboratory Division
