Arnold Schwarzenegger
Governor

December 28, 2007

Dear Sir or Madam:

The California Air Resources Board (ARB) staff is holding a public workshop to discuss a draft regulatory proposal for Portable Outboard Marine Tank (OMT) and components.

The time and place for the meeting are as follows:

DATE: Wednesday, January 30, 2008
TIME: 10:00 a.m. to 12:00 p.m.
PLACE: California Air Resources Board
Monitoring and Laboratory Division
1927 13th Street, 1st Floor Conference Room
Sacramento, CA 95814

TELECONFERENCE: To participate via teleconference, please contact Elizabeth Mongar at (916) 327-0900 no later than January 25, 2008.

Since ARB's last OMT public workshop conducted April 2007, ARB staff has conducted additional research and emissions testing and intends to present a formal regulatory proposal for OMTs at a September 2008 Board Hearing. This meeting will discuss the results from a statewide field survey, emissions test results, and refinements to the statewide emissions inventory. A presentation by staff with a question and answer period will be included. Copies of the draft documents, an agenda, and parking information will be posted on the OMT web page at <http://www.arb.ca.gov/omt/omt.htm>.

Meeting locations are accessible to persons with disabilities. If you have special accommodation or language needs, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. TTY/TDD Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

If you cannot attend the meeting and have questions regarding this workshop, please contact Joseph Fischer at (916) 323-1169 or via email at joseph.fischer@arb.ca.gov, or Dennis Goodenow at (916) 322-2886 or via email at dgoodeno@arb.ca.gov.

Sincerely,

/S/

Manjit Ahuja, Chief
Stationary Source Testing Branch
Monitoring and Laboratory Division

Enclosures (Agenda and Parking Information)

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
