Dear Sir or Madam:

The California Air Resources Board (ARB) staff is holding a public workshop to discuss Portable Outboard Marine Tank (OMT) preliminary test results and future regulatory requirements for the tanks and components.

The time and place for the meeting are as follows:

DATE: Wednesday, January 24, 2007
TIME: 9:00 a.m. to 12:00 p.m.
PLACE: California Air Resources Board
Monitoring and Laboratory Division
1927 13th Street, 1st Floor Conference Room
Sacramento, CA 95814

TELECONFERENCE: To participate via teleconference, please contact Elizabeth Mongar at (916) 327-0900 no later than January 10, 2007.

Since April 2006, ARB staff has been conducting a study of portable outboard marine tanks, fuel hoses, and primer bulbs. The study has consisted of a test program and a usage survey designed to estimate emissions from the category and serve as the basis for a subsequent regulation. This meeting will include a presentation by staff and a question and answer period. Information regarding the meeting, an agenda, and parking information can be accessed on the Portable Outboard Marine Tank web page at <http://www.arb.ca.gov/omt/omt.htm>.

Meeting locations are accessible to persons with disabilities. If you have special accommodation or language needs, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. TTY/TDD Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

If you cannot attend the meeting and have questions regarding this workshop, please contact Joseph Fischer at (916) 323-1169 or via email at joseph.fischer@arb.ca.gov, or Dennis Goodenow at (916) 322-2886 or via email at dgoodeno@arb.ca.gov.

Sincerely,

/S/

Manjit Ahuja, Chief
Stationary Source Testing Branch
Monitoring and Laboratory Division

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
