April 14, 2010

Mail-Out #MSC 10-17

TO: All Interested Parties

SUBJECT: CANCELLED – (reference original Mail-Out 10-13) PUBLIC WORKSHOP TO DISCUSS PROPOSED REGULATION ON THE PRODUCTION OF HYDROGEN FOR TRANSPORTATION FUEL AS PRESENTED IN SENATE BILL 1505 (STATUES 2006)

The Environmental and Energy Standards for Hydrogen Production (SB1505) workshop scheduled for April 19th from 10:00am – 1:00pm in Sacramento has been cancelled. We will schedule a workshop in May to further discuss the proposed regulation. Another list serve notice will be provided on the details of the future workshop.

Additionally, the board hearing for the proposed Environmental and Energy Standards for Hydrogen Production regulation has been postponed to the October 21st & 22nd, 2010 hearing.

We apologize for any inconvenience this has caused and will provide a future workshop for stakeholders to provide input.

We welcome your participation in this effort. If you have questions regarding the workshop, please contact Mr. Benjamin Deal, Air Resources Engineer, at (916) 322-8449 or at bdeal@arb.ca.gov.

Sincerely,

/s/

Robert H. Cross, Chief
Mobile Source Control Division

cc: Mr. Benjamin Deal
Air Resources Engineer
Zero Emission Vehicle Infrastructure Section

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
