Mail-Out #MSC 15-23

TO: All Interested Parties

SUBJECT: CORRECTION TO 2015 VOUCHER INCENTIVE PROGRAM (VIP)
RETROFIT FUNDING TABLES (APPENDIX O)

The On-Road VIP Funding Matrix for Retrofits contained in Appendix O of the 2015 On-Road VIP Guidelines previously released in Mail-Out #MSC 14-20 and Mail-Out #MSC 15-18 contained calculation errors. The errors resulted in funding amounts that exceeded the cost-effectiveness limit for the minimum required usages. This Mail-Out provides an updated Appendix O with corrected minimum annual usage and funding amounts. Please note that the required minimum annual usage for a given funding amount has increased. Projects already funded under the previous version of Appendix O will still be considered eligible and districts will not be penalized for funding those projects. This updated version of Appendix O is effective immediately.

If you have any questions or comments, please contact Danielle Robinson, Air Resources Engineer, at (626) 575-6775 or via email at Danielle.Robinson@arb.ca.gov.
