15

Idling Policy

- Guidance document to be developed regarding the written idling policy
 - medium and large fleets must have in place and made available to operators by March 1, 2009
- The following elements have been proposed by ARB staff and ORIAG to be included in the written idling policy at a minimum

16

Proposed Idling Policy Elements

- Definition of applicable equipment
- Who is responsible for rented equipment
- When it is acceptable to exceed the idling limit
- Description of idling waivers, and who to contact to request one
- The definition of the written policy requirement, including where the policy is to be included and displayed
- Any signs that may be in the vehicle designating idling requirements
- Description of penalties for non-compliance
- Information on where to look up further information regarding the regulation
- Company contact information, including a phone number and available hours
- Non-compliance reporting information, so that good faith operators can indicate non-compliant groups

17

Evaluation Forms

- Evaluation form input from May 12, 2008 ORIAG meeting (key points)
 - Create a one page outreach document with link information for equipment dealers
 - Post minutes from subcommittee meetings and ask for feedback from the public
 - Ensure that non-members are only allowed to comment during the public comment period at the end of the meeting

18

Guidance Document Review

Please sign up if you want to review draft guidance documents, and provide input, prior to release

19

Provision of Input Regarding Auctioneers

- Auctioneers (e.g., Ritchie Brothers)
 - Who provides Bill of Sale?
 - What type(s) of agreements are there, with auctioneers?
 - What is included in the contract?
