

Form 3-F Instructions

1. *Company Name* - Legal name of entity, business, organization, agency or private individual that operates equipment.
2. *Equipment Listing* - List information regarding major components of equipment. Please provide all of the following:
 - Type* – List as rock drill or any unique drill type.
 - Manufacturer* - For example: Ingersol-Rand, etc.
 - Model* - May be a series of numbers or letters or combinations of numbers and letters. For example: ECM-590.
 - Serial Number* - A unique, unit specific number, usually on the equipment nameplate. The serial number is necessary to ensure that each piece of registered equipment can be uniquely identified and matched to its respective registration certificate number.
 - Company Unit ID (Optional)* - For your reference. Enter your company unit or equipment number.
3. *Maximum Throughput Rating* - Indicate the maximum drilling rate in feet per day.
4. *Home District Designation (Required)* - Indicate the one air pollution control or air quality management district in which this engine will operate most of the time. Go to <http://www.arb.ca.gov/capcoa/roster.htm> for more information about air districts. A home district is required for each unit. To determine home district by location, go to <http://www.arb.ca.gov/app/dislookup/dislookup.php>.
5. *Additional Information* - Include any supplemental information, if appropriate.
