In response to several requests we have received to extend the due date for comments on the draft *Report on Indoor Air Pollution in California* (AB 1173, Keeley), we are extending the due date for comments to Friday, August 27, 2004. In order to be able to address all comments received, we prefer to receive comments by August 20, 2004 if possible. We ask those of you requiring additional time to send an email indicating that your comments will be arriving the week after August 20. That email and comments submitted electronically should be sent to ab1173@listserv.arb.ca.gov. Hard copy comments also should arrive by August 27, 2004. Comments submitted by hard copy should be sent to:
