Custom Performance Program (CPP)

Up to \$4,000

- Available in the city of Los Angeles.
- Rebates are reserved on a first-come, first-served basis until funds are exhausted.
- Contact LADWP staff for further guidance on grant.

Applicants must meet the following conditions:

- Must replace existing equipment with wet cleaning equipment.
- Must be an LADWP non-residential electric customer in good standing.
- Do not need tension equipment.
- Must be an existing perc user.
- All projects require a pre-inspection and approval prior to installation.
- The LADWP incentive cannot exceed the customer's total costs after all the other agency incentives have been deducted.
