ARE YOU READY FOR THE PERC PHASE OUT?

You are invited to attend this informative workshop exploring the Professional Wet Cleaning alternative.

Workshop includes:

- Live demonstration by shop owners using state-of-the-art wet cleaning equipment
- Instruction on processing "Dry Clean Only" garments
- Information on labor-saving finishing techniques
- Techniques on efficient spot removal
- Review equipement choices with vendors displaying a range of wet cleaning equipment
- Expert panel includes professional wet cleaners and representatives from the utilities and regulatory agencies

Incentives Available:

- $10,000 from State of California incentive program
- $10,000 from South Coast AQMD incentive program
- Rebates from SCE & other utilities

Buffet lunch and ongoing demonstrations begin at noon
