- Picture of actual AST and P/V vent valve added to Figure 2A-1
- Removed "annual leak decay requirement" from Table 2-2
- Per the Executive Order renewal evaluation, information pertaining to ICI Devoe Coatings removed from Exhibit 2 of Executive Order VR-301-F

Exhibit 3

- Added Table of Contents
- Added specification pertaining to AGT Vault AST
- Added AGT Vault AST specifications to Table 3-1

- Per the Executive Order renewal evaluation, information pertaining to ICI Devco Coatings removed from Exhibit 3 of Executive Order VR-301-F

Exhibit 4

- Added new warranty information associate with the following components:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Per the Executive Order renewal evaluation, information pertaining to ICI Devco Coatings removed from Exhibit 4 of Executive Order VR-301-F
- Updated and revised warranty language provided for:
 - ConVault AST
 - SuperVault AST
 - CSI HooverVault AST
 - Fireguard AST
 - PPG Coatings
 - Ponderosa Paint Company

ARB Approved Installation, Operation, and Maintenance Manual

- Added two new equipment manufacturers to contact list including:
 - AGT Vault
 - FFS
- Added two new equipment manufacturers to table of contents:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Added new components to “Summary of Maintenance Table” including:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Added two new components to Installation Checklist including:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Added IOM information pertaining to:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve

- Per the Executive Order renewal evaluation, information pertaining to ICI Devco Coatings removed from the IOM

ALL Pages

- Replace all references to VR-301-E with VR-301-F

Executive Order VR-302-F:

Legal Language

- Updated to reflect the new revision level (F) for the inclusion of the AGT Vault AST and the FFS PV-Zero P/V Valve
- Indicate that the certification will not be renewed for Jensen Precast's Armor Cast AST
- Per the results of ARB's renewal evaluation, Executive Order expiration date extended another four years through May 31, 2018

Exhibit 1

- Added new components to equipment list including:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Added figures and labeling information pertaining to:
 - AGT Vault AST
 - FFS PV-Zero P/V Valve
- Clarifications made to model number designations for Steel Tank Institute Fireguard AST, ConVault AST, and CSI Hoover Vault AST
- Per the Executive Order renewal evaluation, information pertaining to Jensen Precast's Armor Cast AST removed from Exhibit 1 of Executive Order VR-302-F

Exhibit 2

- Removed "annual leak decay requirement" from Table 2-2
- Per the Executive Order renewal evaluation, information pertaining to Jensen Precast's Armor Cast AST removed from Exhibit 2 of Executive Order VR-302-F

Exhibit 3

- Added Table of Contents
- Added specification pertaining to AGT Vault AST
- Added AGT Vault specifications to Table 3-1
- Per the Executive Order renewal evaluation, information pertaining to Jensen Precast's Armor Cast AST removed from Exhibit 3 of Executive Order VR-302-F

Exhibit 4

- Added new warranty information for :
 - AGT Vault AST
 - FFS PV-Zero P/V Valve

- Per the Executive Order renewal evaluation, information pertaining to Jensen Precast's Armor Cast AST removed from Exhibit 4 of Executive Order VR-302-F
- Updated and revised warranty language for:
 - ConVault AST
 - SuperVault AST
 - CSI HooverVault AST
 - Fireguard AST

ARB Approved Installation, Operation, and Maintenance Manual

- Added two new equipment manufacturers to contact list including:
